MEDIA RELEASE

Our Youth, Our Future Survey To Be Conducted at

Skyline Gila River

On April 30th students in 7th – 12th grades will begin participating in the **Our Youth, Our Future** survey in cooperation with the Tri-Ethnic Center for Prevention Research at Colorado State University. The funding for the administration of the survey comes from a federal grant awarded to the Tri-Ethnic Center, which allows the survey to be conducted at no cost to the school. Participation in this survey is voluntary. Parents who wish to withdraw their child from participating may do so by contacting Mr. Flannigan or Mr. Zaire at the school at 1-877-225-2118 (option 3). In addition, a copy of the survey is available at the school for parents who would like to review it. Skyline Gila River believes that students' participation in this survey will assist the school in planning, funding and evaluating drug and alcohol prevention programs.

The Skyline Gila River mission is to provide at-risk students with high quality educational programs and services designed to stimulate life-long learning while developing character through academics, athletics and the arts.
