

May 22, 2020

Dear Skyline Gila River Students, Families and Friends,

The end of the 2019-20 school year is here for our students. I would like to take a moment to personally thank you all for having the patience and desire to work with us during this pandemic to meet our student's needs. Without question, these are and continue to be unprecedented times that we all have had to adjust to and manage. My hope is that you all continue to stay safe! It truly has taken the efforts of our entire school staff and school community to allow the educational process to continue happening for our students. For this I again say THANK YOU!

In wrapping up the school year, here are some important items you should be aware of:

~Teachers are finalizing student grades and you can expect to receive end of year report cards in the next 5-10 business days. For our Class of 2020 graduates, you will be notified when your high school diploma is ready for pick up. Congratulations on your big accomplishment and we look forward to hearing about and seeing the many successes that await you in the next chapter of your lives, so please do keep in touch! Remember, your virtual graduation ceremony can be seen tonight at 7 pm on Facebook Live! 😊

~8th grade students will also be contacted when your promotion certificate and end of year report cards are ready. It saddens me that we could not hold a ceremony to mark your big day, but please know we are still very proud of you for achieving this and look forward to what the future holds for the Class of 2024. We look forward to the start of your high school journey in August!

~Students who received a school issued Chromebook are required to return them beginning **Tuesday, May 26**. You will be contacted by school staff regarding the return process. It is very important that Chromebooks are returned, as we need the summer to update them and have them ready for the start of the new school year in August.

We understand that these remain uncertain times. Our school will continue to keep up to date with our state-wide agencies and the Governor's office and make decisions based on the health and wellbeing of our students, staff, and families. Be sure to continue checking our school website and social media as the 2020/2021 year approaches. Should you have a change to your email, address and/or phone number over the summer please contact the school office.

Mustang Nation please have a safe and enjoyable summer!

Mr. Flannigan 😎

The Skyline Gila River mission is to provide at-risk students with high quality educational programs and services designed to stimulate life-long learning while developing character through academics, athletics and the arts.
