April 26, 2021

Dear Students and Families,

It is with a heavy heart that I am informing you of the passing of one of our beloved students over the weekend. Our school staff was saddened by this news, which we received today.

News such as this is never easy to hear or share, however I wanted to let students know that your teachers, school staff and I are here for you during this time of need. Our Student Support Team is available for you, so please feel free to let one of your teachers know if you wish to speak to someone. You may also contact the school office via telephone if you need support. Lastly, we are also able to recommend additional community and support resources to you should you need them.

As always, our school staff is here for you, and please know that in difficult situations such as this we are all in this together. We will do whatever we can to help you get through this.

Sincerely,

*Mr. Flannigan*  
Principal

*The Skyline Gila River mission is to provide at-risk students with high quality educational programs and services designed to stimulate life-long learning while developing character through academics, athletics and the arts.*
