October 27, 2021

Dear Skyline Parents & Families,

This is a reminder that Skyline Education and Skyline Gila River will be implementing a “Remote Learning” day on Monday, November 1.

On remote learning days, students will not be able to attend school in-person. Instead, all students will be expected to remain at home and complete assigned work provided to them by their teachers. All students have been issued a Chromebook that will allow them to complete any assigned work from home. Please notify the school if there is an issue that will prevent your student from being able to access their Chromebook from home and alternate assignments can be given.

Thank you in advance for your cooperation with this. These days will provide our teachers the opportunities to increase their abilities to provide better instruction and more support within the classroom and in turn, help our students increase their level of success.

Please make note of the remaining dates for “Remote Learning” are listed below. We will also be updating our school calendars on the school websites:
