**RE: Virtual Learning Day #2**

Dear Skyline Parents & Families,

This is a reminder that Skyline Education and Skyline Gila River will be implementing our 2nd Remote Learning Day on Wednesday, November 24.

**Please be reminded that this is a half-day for students with the school day ending at noon.**

On remote learning days, students are not required to report to school in-person. Instead, all students will be expected to remain at home and complete assigned work provided to them by their teachers. All students have been issued a Chromebook that will allow them to complete any assigned work from home. Please notify the school if there is an issue that will prevent your student from being able to access their Chromebook from home and alternate assignments can be given.

Thank you in advance for your cooperation. Virtual learning days provide our teachers the opportunity to enhance their abilities, which provides for better instruction and more support within the classroom. All of which are designed to help our students increase their level of success.

Please make note of the remaining Remote Learning days for the remainder of this school year which are listed below. We will also be updating our school calendars on the school websites:

**Friday, January 14, 2022**

**Friday, February 18, 2022**

**Monday, March 21, 2022**

**Monday, April 18, 2022**

Please contact the school office with any questions you may have.

Sincerely,

*Vaughn Flannigan*

Principal

*The Skyline Gila River mission is to provide at-risk students with high quality educational programs and services designed to stimulate life-long learning while developing character through academics, athletics, and the arts.*
