

**Skyline Gila River**

June 30, 2022

Dear Skyline students, families, and friends,

I hope your having a safe and enjoyable summer break and finding time to just catch your breath after a busy school year!

I wanted to let you know that after 10 years of watching and being a part of the growth of our school and our students, I have decided to step down as Campus Principal so that I have more time to spend with my family. Because I truly feel like every student and every staff is like family to me, it made my decision even tougher. At the end of the day, however I am making the right decision. I will miss seeing students daily as well as phone calls and conversations with parents and guardians. While I will not be on campus every day, my hope is to still try and attend as many games, events, and activities as possible so that I can still see the growth that is occurring in our students.

The new Campus Principal, Mr. Keith Brown brings many years of experience as a principal and educator with him to Skyline Gila River and is no stranger to the Skyline family. I have had an opportunity to share with Mr. Brown some of the success stories and many wonderful things our students, staff and families have to offer, and my hope is that the level of support, respect and trust you have shown me over the years continues for him!

Thank you all for making the past 10 years ALL very memorable ones and I wish you all nothing but success, joy, and happiness! GO MUSTANGS!!

**Vaughn Flannigan**

Former Principal 😊
