## ATHLETICS

### Flag Football:

Junior High Girl's Flag Football just finished their season during the last week of November. Thank you to everyone who came out to a game, and for a great season!

### Basketball:

#### Varsity:

Varsity boy's basketball had their first game on 11/30 and walked away with the win! Girl's basketball has their first game on 12/5, good luck to our Lady Mustangs!

#### Junior High:

Junior High girl's basketball tryouts wrapped up this week. Thank you to everyone who worked hard and congrats to the ladies that made the team!

### Cheer:

Cheer is always looking for dedicated students to join for basketball seasons! Please talk to Ms. Murray if you have any questions.

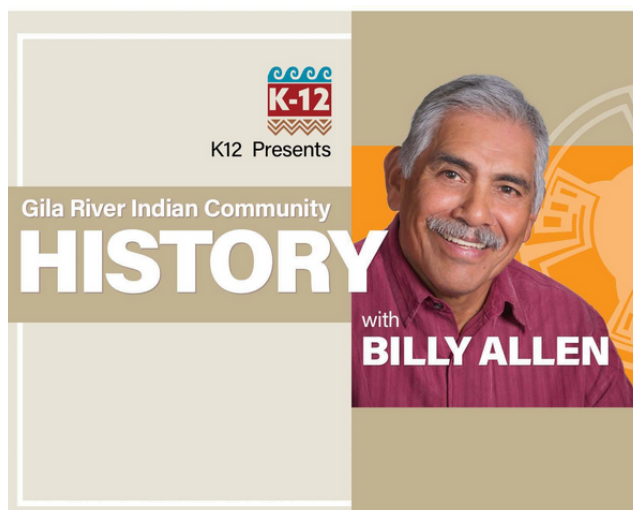

# SCHOOL EVENTS

Our current focus word as a school is Resiliency. We always encourage our students to overcome obstacles and work hard. Check out what resiliency means to our students on the bulletin board in the front hallway!

**Your best stories will  
come from your struggles.  
The seeds of your  
successes are in your  
failures. Your praises  
will be birthed from your  
pains. Keep standing. I  
have never seen a storm  
last forever.  
Seasons change.**

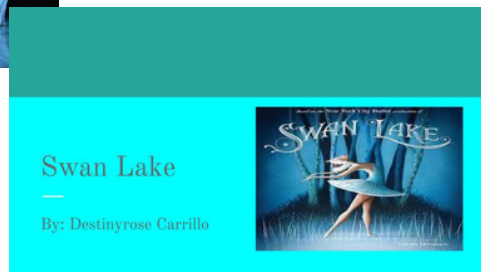

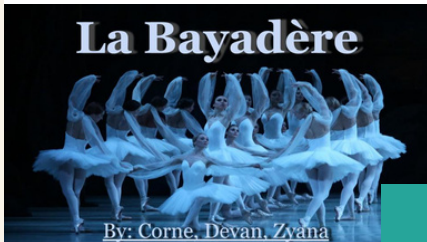

On December 7th, we have Billy Allen coming to speak to our students about the history and background of Water Rights Day.

# STEAM

On November 15th, we took 35 students from our school to the SACCD in Tucson, AZ. Students were AMAZED by this experience, and they even shared that they WANT to work in some of the construction field careers.

# ARTS

In dance class, middle school students are learning about theatre production elements and have been creating their own lighting cue and costume designs! High school students have been learning about ballet and just presented slideshows on famous ballets.
