STEAM

On Wednesday 2/28, the US Naval Academy came out to our school to talk to our students about being in the Navy. They put on an amazing performance. We are so thankful that our students got to speak to one of our armed forces and learn more about all of the opportunities that come along with being in the US military.

Thank you to Mr. Esparza for coordinating this program for our school.

ARTS

Basket Dancers and Gourd Shakers got the amazing opportunity to perform at the AZ State Capitol on Tuesday 2/27. They represented our school very well. Great job to all the students who were involved as well as Ms. Barnett!
